**Think Like a Street Photographer** Derren Brown, Matt Stuart, 2023-06-08 'Never does that old maxim the harder I practice, the luckier I get ring truer.' - Matt Stuart Street photography may look like luck, but you have to get out there and hone your craft if you want to shake up those luck vibes. Matt Stuart never goes out without his trusty Leica and, in a career spanning twenty years, has taken some of the most accomplished, witty and well-known photographs of the streets. From understanding how to be invisible on a busy street, to anticipating a great image in the chaos of a crowd, Matt Stuart reveals in over 20 chapters the hard-won skills and secrets that have led to his greatest shots. He explains his purist and uniquely playful approach to street photography leaving the reader full of ideas to use in their own photography. Illustrated throughout with 100 of Stuart's images, this is a unique opportunity to learn from one of the finest street photographers around.

Mastering Portrait Photography P. Wilkinson, Sarah Plater, 2015-11 Photographic portraits should not be the formal,

corporate-style poses of yesteryear, which reveal nothing of the subject's emotion, personality or mood - so believe Sarah Plater and Paul Wilkindon. Theirs is a modern, fresh and vibrant approach that aims to capture a moment in the lifestyle of the person or persons in the picture. This authoritative guide contains clear, concise and jargon-busting text that discusses the essential technical aspects of photography from choosing a camera and equipment to an appreciation of exposure, aperture, metering, shutter speed, depth of field and white balance settings, in addition to how natural light, colour and movement affect a photograph. A guide to posing helps to ensure dynamic and arresting images

**The Book of Skulls** Robert Silverberg,2018-05-08 How far will four friends go for immortality? This novel is Hugo and Nebula Award-winning author “Robert Silverberg at his very best” (George R. R. Martin). After Eli, a scholarly college student, finds and translates an ancient manuscript called The Book of Skulls, he and his friends embark on a cross-country trip to Arizona in search of a legendary monastery where they hope to find the secret of immortality. On the journey with Eli, there’s Timothy, an upper-class WASP with a trust fund and a solid sense of entitlement; Ned, a cynical poet and alienated gay man; and Oliver, a Kansas farm boy who escaped his rural origins and now wants to escape death. If they can find the House of Skulls where immortal monks allegedly reside, they’ll undergo a rigorous initiation. But do those eight grinning skulls mean the joke will be on them? For a sacrifice will be required. Two must die so that two may live forever . . . Stretching the boundary between science fiction and horror, Robert Silverberg masterfully probes deeper existential questions of morality, brotherhood, and self-determined destiny in what Harlan Ellison refers to as “one of my favorite nightmare novels.” This ebook features an illustrated biography of Robert Silverberg including rare images from the author’s personal collection.
